BLOS generally stage two shows a year. I understand a show subscription is payable for each show in which I take part. The show subscription will vary depending on several factors including set/costume and royalty costs. I am not obliged to take part in any of the shows to become a member.

I understand that I cannot take part in a show unless I am paid up member and have paid the relevant show subscription payable by the second rehearsal after auditions. This ensures that members are covered by BLOS insurance.

I will commit to attending rehearsals regularly which are initially once a week. Additional rehearsals are held for principal parts and on Sundays for full cast in the run up to the show.

Financial hardship: - In certain cases, concessions can be made on fees. Application for relief of fees should be made to a member of the committee who will raise your case with the committee for approval.

I agree to BLOS collecting, retaining, maintaining and using my personal data in the lawful operation of its activities. BLOS do not share Personal Data with other organisations and will use reasonable measures to ensure its security.
